

Mary is **a** scientist. She works at **the** University of Manchester.

## Definition

We use articles before nouns to help define them.

## Indefinite and definite articles

Indefinite article: **a** or **an**

I have **a** banana and **an** orange.

Definite article: **the**

**The** food at this restaurant is delicious.

## Note

Sometimes an article is not necessary but we always need one with a singular **countable noun**.

	Singular countable nouns	Plural countable nouns	Uncountable nouns
<b>a</b> - for nouns that begin with a consonant	✓	✗	✗
<b>an</b> - for nouns that begin with a vowel	✓	✗	✗

the

## Indefinite article

### a or an

#### we use a:

- before consonants: **a** doctor, **a** mechanic, **a** dog, **a** big car, **a** happy person
- before vowels that sound like the consonant /j/: **a** university, **a** European person

#### we use an:

- before vowels: **an** architect, **an** umbrella, **an** easy exercise, **an** important meeting
- before 'h' when it is silent: **an** hour, **an** honourable person
- before consonants that sound like vowels: **an** FBI agent, **an** SNCF employee

Rules for 'a/an'	Examples
