Each, every

Introduction

This train stops at every station on the route.

Definition

Each and **every** are quantifiers which have similar meanings but are not always used in the same way.

Construction

	Each	Every
+ singular noun	**Each** book is different.	**Every** book is different.
+ plural noun	❌	❌
without a noun	**Each** is different.	❌
with 'one'	**Each** one is different.	**Every** one is different.
with 'of'	**Each** of them is different.	❌
with 'one' and 'of'	❌	**Every** one of them is different.

Each and **every** take a singular verb, even if there is more than one noun:

Every man and woman <u>has</u> an opportunity to progress in our company.

With '**each** of', we can use a singular or a plural verb but the singular is better in formal written English:

Each of the books is/are different.

Uses

	Use	Examples
Each	To talk about a group of things or people when we consider them separately - one at a time	We greeted **each** visitor as they arrived.
	To refer to two things or people	In last night's rugby match, **each** team played well.
	To talk about prices	These apples are 40p **each**.
	To talk about how things are divided between members of a group	There are six chocolates and three people so they can have two **each**.
	'**each** other'	He's looking at her and she's looking at him. = They're looking at **each** other. [see **Reflexive and reciprocal pronouns**]
Every	To talk about a group of things or people when we consider them as a whole. The meaning is similar to **all**	**Every** visitor to our company receives a warm welcome.
	To talk about frequency	The buses leave **every** fifteen minutes.
		She visits her parents **every** Christmas.

Note that for smaller numbers, **each** is more common. **Every** is more common for bigger numbers and has a similar meaning to **all**:

Each member of my team works hard.
Every employee in this company works hard.
